Intimate Styled Sliding Doors

A modern and fresh style with huge versatility. Interactive sliding door system which combines automatic soft close action with stylish aluminium profiles which can accommodate any combination of vinyl, glass or any other contemporary sheet materials from 4mm to 10mm thick, whichever is chosen.

Smoothness, silence, and appearance are combined with the soft-close function to give the ultimate high quality feel that adds style and luxury to any room.

An exciting new addition to our range.
